

JOB-MAN 2940

Lifting height:	2923 mm
Weight:	2800 kg
Breakout force:	4410daN
Standard tire size:	31x15,5x15

Standard equipment:

- Differential lock.
- Hydraulic quick-change attachment
- 2 powerful hydraulic outlets
- LED work lights, 4 lights
- Rotating beacon - with reverse warning sound
- Adjustable steering wheel
- Multifunctional joystick
- Comfortable adjustable seat and armrest

Optional:

- Narrow wheels - tractor pattern 27x10.5-15 NHS
- Wide wheels - tractor pattern flat TR 07 31x15.5x15
- Wide wheels - Wide tractor pattern flat AS 31x15.5x15

Technical Specifications:

Engine

Engine	Yanmar 4TNV88C
Max. power	46 PS
Max. speed	2600 U/min

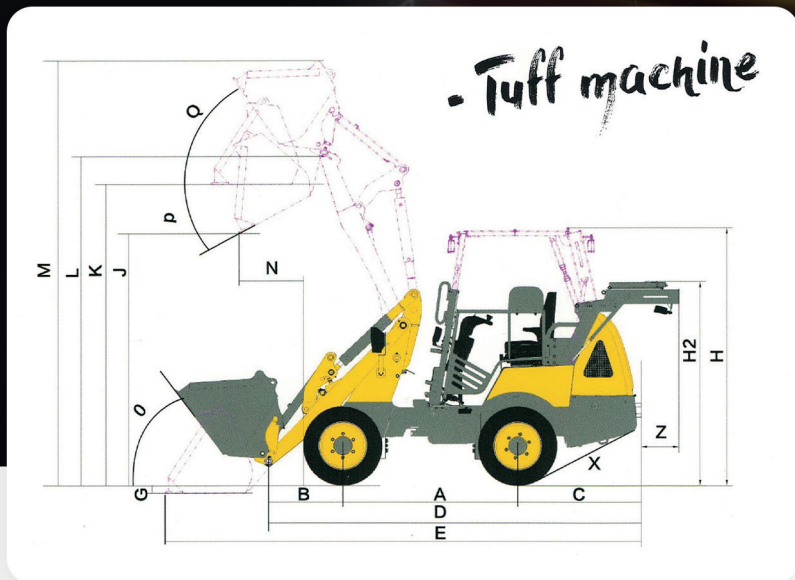

General

Capacity, shovel	0,49 m³
Diesel tank	46 l
Oil quantity, hydraulic	45 l/min

Performance

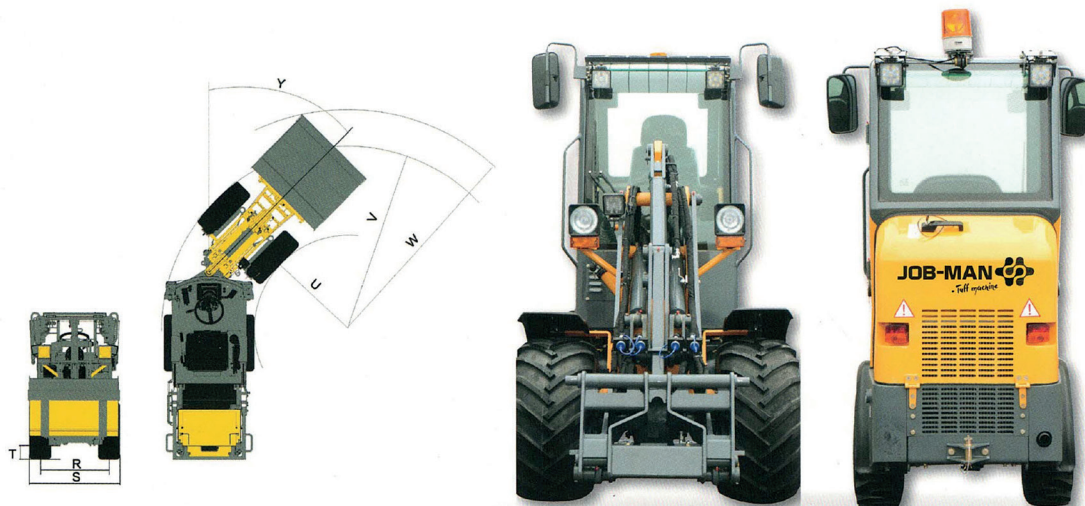

Max. lifting capacity	2135 kg
Pull force	22000N
Breakout force	4410daN
Operating weight	2800 kg
Lift speed (empty)	4,6
Lift and lowering speed (empty)	8,1
Tipping load in bucket, horizontal	1540 kg
Tipping load, pallet fork, horizontal	1670 kg
Tipping load in bucket, swiveled	1025 kg
Tipping load, pallet fork, swiveled	1000 kg

JOB-MAN 2940

Dimensions:

A	Wheelbase	1571 mm	N	Dumping range	510 mm
B	Front axle for tool bolts	627 mm	O	Rear adjustment angle on ground	45°
C	Rear axle	1196 mm	P	Maximum unloading angle	45°
D	Length without tools	3437 mm	Q	Rear adjustment angle (v/max. height)	47°
E	Length with bucket	4290 mm	R	Track width	820 mm
F	Height to seat	1240 mm	S	Width/turned wheel	1080/1340 mm
G	Bucket depth below ground clearance	47 mm	T	Ground clearance	202 mm
H	Height to cab roof	2230 mm	U	Inside turning radius	1106 mm
H2	Height with roof folded	1755 mm	V	Outside turning radius	2495 mm
J	Unloading height	2106 mm	W	Outside turning radius with bucket	2206 mm
K	Loading height	2714 mm	Y	Reard angle	45°
L	Maximum height to bucket pivot point	2923 mm			
M	Total working height	3654 mm
